RADIOTHERAPY TECHNOLOGISTS SECTION
Autumn meeting 2014
First announcement & Call for abstracts

Dear colleagues,

This year the autumn meeting of the EORTC Radiation Oncology Group will take place from 9-11 October 2014 in **Paris, France**. The Technologists Section will organize it's 10th one-day parallel symposium for RT Technologists on Friday October 10th.

As always we welcome scientific input for this meeting. In agreement with this year's host the theme for this meeting will be "*RTT's role in modernization of radiotherapy*".

In case you have a topic of interest that you would like to present, please let us know by submitting an abstract of no more than 250 words. Once again we aim to have as many interesting presentations from as large a number of different institutes as possible, so please feel welcome to step forward.

The **deadline** for abstract submission **is July 1st 2014.** You will receive a reply regarding the acceptation of your abstract by the end of July.

Please send your abstract to: Hans Paul van der Laan h.p.van.der.laan@umcg.nl
Marjolein van Os m.j.h.vanos@erasmusmc.nl

The programme will be distributed and published in August 2014.

More detailed information regarding travel and stay will soon be published on our website: http://www.eortc.org/research-groups/radiation-oncology-group/radiation-technologists-rtt-section

We await your input in order to organize another attractive and interesting meeting; we can't do it without you!

Looking forward to meeting many of you again in Paris,

With kind regards,

Hans Paul van der Laan
Marjolein van Os
